

How-To: gsEvents

STEP 1: FINDING AN EVENT

Visit our homepage www.gssne.org

Option 1: Click on the "Program" tab

- Choose "Event List" or "Event & Program Calendar"
- Browse for available programs
- When you find a program you want to register for, click the program on the calendar or list
- Click on the green title to get to the gsEvents registration page
- Skip Step 2 and proceed directly to Step 3, "Registering for an Event"

Option 2: Click on MyGS and log in to your account

- From your account home page, click "My Events" on the right
- On your "My Events" page, click "Register for Another Event"
- Required: On the search page, type in either a zip code or a city/state/country
- Optional: You may narrow your search by zip code radius, keyword, date range, event focus, grade level, or language
- Once you've entered your search criteria, click "Search" at the bottom

STEP 2: CHOOSING AN EVENT

- Your search results will display a page of events that fit your search criteria.
 - The map on the right uses purple pins to show the approximate location of the events. NOTE: The exact street address will not be provided until registration is completed and paid for.
 - The box on the left shows, in alphabetical order, the events that fit your criteria. Use the box scroll bar to view the events.
- Each event listed on the left shows the title, date and time, the sponsoring council, a short description of the event, pricing, number of girl and adult spots available, and the registration deadline. It also indicates whether it's for members only, and if it's a virtual event.
- For more information about a particular event, click the "Event Details" button underneath that event description.
