Girl Scouts of Southeastern New England

Dear Corporate Community Partners,

I am reaching out to you on behalf of Girl Scouts of Southeastern New England to ask for your support during the 2025 Girl Scout Cookie Program.

The Girl Scout Cookie Program is much more than just a fundraiser. It teaches girls essential life skills such as goal setting, decision-making, money management, people skills, and business ethics. Every purchase directly benefits our local members, ensuring they have access to camp and other enriching experiences, leadership development opportunities, and community service projects. Best of all, 100% of the proceeds stay local, supporting Girl Scouts in our community.

Girl Scouts of Southeastern New England is piloting a new **Corporate Cookie Donor Buyout Program**. By purchasing Girl Scout Cookies, your company can make a meaningful impact in several ways. Whether you choose to share them with your employees as a token of appreciation, distribute them to customers as a thoughtful gesture, use them as a treat at company events, or donate them to a local organization through our Cookie Share Program, your support will go a long way in making a difference.

The attached flyer outlines the program we are piloting. We hope to feature you and your company as one of our first Cookie Donor Buyout partners!

Thank you for considering this opportunity to support the Girl Scouts of Southeastern New England. Your generosity and commitment to the community are truly appreciated.

Best,
Ginger Lallo, COO
