TOP 8
Reasons to
come to Girl
Scout Camp

8 THE COUNSELORS: Our staff are trained, caring, and hilariously FUN! They have cool camp names and make every day unforgettable.

6 TAKE SAFE RISKS AND BECOME MORE CONFIDENT: Counselors regularly encourage campers to take safe risks, from reaching new heights on the rock climbing wall to performing a goofy skit in front of others. With a cheering squad behind them, campers gain incredible confidence.

4 DEVELOP LIFE-LONG SKILLS: “Everything I know about getting along with others, solving problems, overcoming fears, and taking initiative, I learned at Girl Scout Camp. Not to mention other awesome first experiences such as rock climbing, outdoor cooking, whitewater kayaking, backpacking and DIY crafting. I use what I learned at camp everyday as a high school teacher while working effectively in a team with other teachers and while supporting my students.” —Girl Scout volunteer and high school teacher

2 MAKE TRUE FRIENDS: Camp is a special place where true and deep friendships develop. Campers help each other overcome fears and difficulties. They act silly without judgement and criticism, and share new experiences together!

7 GET ACTIVE IN THE OUTDOORS: Summer camp is full of awesome! With a wide range of activities available, there is always something to look forward to: swimming, archery, arts & crafts, the rock wall, boating, campfires, s’mores, and so much more!

5 UNPLUG FROM TECHNOLOGY: Camp is a great way to get back to nature and enjoy the world and relationships without technology. At Girl Scout Camp, we believe life is best when it’s happening right in front of you.

3 BECOME MORE INDEPENDENT: While at Girl Scout Camp, campers learn to be independent thinkers and doers. Counselors cultivate each camper’s ability to make sense of the world based on personal observations and experiences! Campers are given opportunities to try activities and tasks on their own and are provided adult assistance when needed.

To reserve your camper's spot today, go to www.gssne.org and register online. At the time of registration, a \$35 non-refundable deposit or the full balance is due.

All final payments are due by the listed registration deadline (2 weeks prior) for each session. GSSNE reserves the right to cancel any registration not paid in full by the advertised registration deadline.

If you register after the registration deadline, all fees are to be paid in full upon registration.

Campers not currently registered as a Girl Scout or are a new Girl Scout are required to become a member at the current Extended Year Membership fee of \$73. This GSUSA membership is valid through September 30, 2026.

Cancellations, Refunds, and Transfers

Cancellation and refund requests must be submitted and received by the GSSNE Office by the programs registration deadline. Until the registration deadline, a full refund less the \$35 deposit per person will be granted.

In the event of GSSNE canceling a camp program, families will be contacted to discuss a transfer to another program, or to receive a refund.

Please note that a refund will not be given if the camper leaves early for any other reason (including homesickness). Refunds will also not be issued due to inclement weather.

A \$15 transfer fee will be applied to a campers registration balance each time a change is made to a campers session, program, or camp (unless the change is requested by GSSNE due to program cancelation)

Health & Wellness Agreement:

If a camper is experiencing any cold or flu-like symptoms they will not be permitted to attend camp unless a doctor's note is provided. If a camper becomes ill or injured, or if any other concerns arise while at camp, parents/guardians may be asked to pick up camper and have them evaluated by a health care professional.

Behavioral, Medical, and Dietary Concerns and Restrictions:

If there are any behavioral (ADHD/ADD, ASD, etc.), medical (including mental health), or dietary concerns for your registered camper, a parent/guardian should contact the Camp Director at least 2 weeks prior to the camp session starting. If your child requires support in school, special treatments, injections, is immune compromised, has mobility limitations (i.e. cast, crutches, or wheelchair) or any other special issues please contact customercare@gssne.org to discuss a potential support plan with a staff member. Some scenarios will require a doctor's note.

Behavior Agreement:

At GSSNE, we strive to create a caring and supportive community. We want all participants to feel safe, welcomed, and accepted. Following and abiding by the rules and guidelines ensures a memorable experience for all. Campers are expected to respect themselves and others. Inappropriate behavior negatively affects everyone and can compromise safety. Since the experience at camp passes quickly we try to deal with behavior by setting clear expectations. Everyone will hear the rules which include: respect the staff and respect others in the group. In addition to these rules, many groups create their own group contract, which outlines the behavior expected by group members. The group creates this themselves and signs their name acknowledging that they will abide by their contract. If a participant breaks the rules, a staff member will speak with the participant and work with them to correct their behavior. We use a series of consequences for any behavior that has gone beyond acceptable limits. This consequence structure, combined with positive reinforcement, is designed to put behavior decisions in the child's hands. It is meant to give a camper plenty of chances to make good decisions. The goal is to change negative behavior in order to prevent anyone from not being able to participate in camp activities. If a camper is excused from camp based on behavior a parent/guardian or other authorized adult is required to pick up their camper within a 2-hour time frame.
